

WORLD OF RADIO #1103, produced October 31, 2001 by Glenn Hauser

- *Standard disclaimer
- *Since the start of Standard Time, all our WOR times are one UT hour later except on RFPI, at the same Universal Times
- *New WOR time on WWCR: Saturday 1230 UT on 15685
- *RFPI about to revive 7445 kHz with highest power, new antenna, in 0300-0700 UT period; reports will be wanted; keeping 15040 21 to 22 hours per day, and 21815-USB daytime
- *Congratulations to the Benelux DX Club, celebrating 40th anniversary November 5; see <http://www.425dxn.org/swls/bdxc/index.html>
- *Encontro DX, Portuguese DX progrma on R. Aparecida, Brazil, marks 15th anniversary November 1
- *R. Cultural Amauta, Brazil, has 41st anniversary special UT Wed Nov 7 0000-0100 on 4955
- *R. Union, Peru, jumping around 6.3 MHz area, latest landing
- *R. Nacional, Paraguay, settles on a split frequency close to nominal
- *RAE, Argentina, now on two frequencies each for English broadcasts
- *New times for shrunk DX Partyline on HCJB, included in <http://www.worldofradio.com/dxpgms.html>
- *HCJB has interference from BBC Albanian in the morning
- *DXLD 1-158, 159 and 160 have reports on strike by workers at GBC, Guyana, never mentioning SW; check whether they are on, relaying?
- *Caribbean stations keep moving off 830 kHz, the latest R. Paradise, St. Kitts & Nevis; relays Trinity evenings; when to hear own shows
- *RCI reception in Europe now a `disaster` with clashes, no relays
- *Steve Anderson, United Patriot Radio, fugitive, told his listeners the story of Joe Patriot, then fulfilled it in shootout <http://www.courier-journal.com/localnews/2001/10/27/ke102701s94178.htm>
- *Check UPR's former frequencies for possible activity
- *Including spoof of UPR, United Patriot Militia Bingo Radio
- *Complete confusion at Pacifica over firing of Executive Director Bessie Wash; see <http://www.savepacific.net>
- *Proposals for replacing WTC with new broadcast tower for NYC, on Governor's Island or Staten Island
- *VOA mailroom contaminated by anthrax, hoped not to have spread
- *New SW station on Kenai Peninsula, KACI visited last summer, but construction not going well, and no FCC permit
- *The media magazine you monitor with your mind, World of Radio 1103 wghauser@hotmail.com or fax 1-580-233-2948 attn Hauser; see our websites <http://worldofradio.com> and where most info still resides <https://www.angelfire.com/ok/worldofradio/>
- *R. Africa International, Methodist via Germany, new schedule
- *Tigrean International Solidarity for Justice and Democracy, new clandestine via Germany
- *V. of Nigeria has commissioned three new 250 kW SW transmitters at Ikorodu; but only one heard so far on 15 MHz
- *DW's English to British Isles moves one band down instead of up this winter; continuous English direct from Germany on 49m well heard
- *DW back on 11m for at least one more winter, joining France
- *NBFM broadcasts in French on 11m sounds like TV audio from France

- *European VHF reception peaks after local sunrise in NAm, 32-36 MHz
- *Spain`s new English schedule
- *Portugal`s new 300 kW SW will serve Europe and Brazil, and two more planned by 2003
- *BBC merging its news and info divisions, BBC WS, BBC World (TV), online services, and domestic BBC news; competitors unhappy
- *BBCWS has 3-way clash with itself on one 6 MHz frequency
- *Clashes which could have been avoided at A-01 and B-01 seasonal overlaps, such as Vietnam via Canada, BBC via Florida on same frequency for two hours
- *BBC`s morning frequency from Antigua not getting good reviews
- *Former Swiss Radio International listeners now hear Croatia on same frequency, along with a parallel
- *R. Yugoslavia`s new English schedule; one clash with DW
- *Romania`s winter frequencies include clash with Cuba
- *Lithuania moves to 7 MHz for one English, 9 for the other
- *Most R. Ukraine International transmitters off due to unpaid bills, except for one megawatt(?) which clashes with Gene Scott, Costa Rica
- *Hunting for V. of Greece frequencies, some found; where`s English?
- *New schedule for Macedonian station, Thessaloniki
- *WRMI drops nightly relays of Israel, for Sunday afternoon only
- *Iran`s new schedule in English has blanks maybe meaning 9022; the rest undated from website
- *R. Tashkent has another English broadcast audible here
- *US bombed old transmitters in Kabul Oct 26; Commando Solo confirmed on only one of three reported MW frequencies; Al Jazeera says C.S. laughed at and BBC, VOA no longer trusted
- *New V. of Afghanistan to start soon from Feyzabad, Northern Alliance
- *Plans to broadcast from Pakistan into Afghanistan, Baltic-based
- *Bad Aibling base in Germany has new lease on life for Afghanistan operations; speculation Commando Solo from Germany or Turkey
- *Goonetilleke in Sri Lanka thinks 8070 is from the tropics, D.G.
- *Report that aircraft are fed programming from Pakistan
- *V. of Mongolia schedule shows only two English broadcasts now
- *China`s ``massive invasion`` of new American-made transmitters, including 21 MHz band for first time
- *Australian video buzz on 46 MHz heard in Illinois, England
- *Propagation outlook from Boulder, October 30; flux range 205-180-240
- *Concluding World of Radio 1103, I`m Glenn Hauser
